DMD 2009 HONORS BETTY WILSON

The Disability Rights Legal Center's 2009 Disability Mentoring Day will be held in honor of long time DRLC Board Member and disability advocate, Betty R. Wilson. Ms. Wilson has spent her lifetime and professional career improving the lives of people with disabilities.

She has served the community for over twenty years as the Director of Community Affairs for the City of Los Angeles Department on Disability. In her professional career, she helped establish the first Department on Disability and works to enforce the City's compliance with the 1990 Americans with Disabilities Act (ADA). It is with great pleasure that the DRLC dedicates and honors a truly wonderful friend, supporter, and disability advocate this Disability Mentoring Day, 2009.
